MEALS

REQUIRED OF ALL WHO EAT AT CAMP: You must help with meal set-up and clean-up. A meal set-up and clean-up schedule will be on the back of the brochure.

All meals served family style. **BE ON TIME.** Enter the dining room and be seated – otherwise you are in the way of those setting up and serving. Prayer and announcements will be made. We are expected to assist the camp staff in setting up, serving and cleaning of the dining room. Everyone is responsible for returning their own dishes and silverware to dirty dish containers near kitchen area. All dishes must be returned to the kitchen **within 30 minutes** of the start of the meal in order for the kitchen staff to complete their job.

CABINS/CURFEWS

Please be considerate of your cabin roommates. Keep noise and disruption to a minimum. Young children (and those not so young) need their sleep. IN ROOMS BY 10:30PM; lights out by 11:00pm. **Every person should be in their assigned cabin at 11:00PM. (Remember 8:00 AM is breakfast!!!)**

CLEANING

Please leave cabins in a neat and orderly appearance. **Remove all belongings before 1:00 PM Sunday.** The check list in each cabin must be completed before we leave. Empty trash cans into outside bins. We would like to leave the camp in as good or better condition as when we arrived!

Many helpers make light work. Sunday afternoon volunteers are needed to help clean dining hall, Iroquois Bldg. and general camp clean up. Please see one of these brethren: Andrew Fraser, Eric Kling or Bob Kling, if you can help out.
